You don't want to miss this!

September 13, 2025 - Dynamic Duos: Brahms & Rachmaninoff in Harmony

A night of sweeping melodies and passionate emotions, this concert features Emily Bruskin Yarbrough (violin) and Julia Bruskin Wunsch (cello) in Brahms' Concerto for Violin and Cello, a stunning showcase of interplay between the two instruments. The program also includes Tchaikovsky's Miniature Overture from The Nutcracker and concludes with Rachmaninoff's lush and deeply expressive Symphony No. 2.

October 18, 2025

The Gridiron Symphony: Where Football and Music Collide

Celebrate the spirit of football with a symphonic twist! This energetic concert brings the excitement of the NFL to the stage with iconic themes from ESPN and Fox, John Williams' Wide Receiver, and Robidoux's Lombardi Trophy Super Bowl Suite. The highlight of the evening is Gullings' The Gridiron Symphony, a powerful work incorporating a narrator and marching band musicians for a truly immersive experience.

January 24, 2026 - The Eagles Ultimate Experience

Get ready for a rock-meets-symphony experience with a tribute to The Eagles! Enjoy symphonic renditions of timeless hits like Hotel California, Desperado, Take It Easy, Life in the Fast Lane, and many more, performed with the power and depth of a full orchestra.

February 28, 2026 - All Beethoven - 2025 Cliburn Winner

An evening dedicated to the genius of Ludwig van Beethoven, featuring the dramatic Egmont Overture, the majestic Piano Concerto No. 5 ("Emperor"), and the serene beauty of Symphony No. 6 ("Pastoral"). This program may also feature the 2025 Cliburn Competition winner, adding an exciting element to this classical celebration.

April 25, 2026 - Space and the Symphony: the Final Frontier

Journey through the stars with an awe-inspiring program of space-themed music. Experience the grandeur of Copland's Fanfare for the Common Man and Appalachian Spring, paired with breathtaking visuals of NASA's "One Small Step" video. The evening concludes with Holst's The Planets, an orchestral tour of the solar system, from the ferocity of Mars to the ethereal beauty of Neptune.
